About us....The Friends of Windsor Animal Care and Control Inc. is a **501-(c)3 non-profit, volunteer based organization** that was formed in January 2011 after a group of Windsor residents joined together to keep our dog pound from being relocated out of town. During this process we learned that, due to tough economic times, Windsor residents were surrendering their pets at an alarmingly high number. This is when our organization decided that Windsor and its residents could benefit greatly from a **pet food pantry**. And so on July 18, 2011 The Friends of Windsor Animal Care & Control opened Windsor's first and only pet food pantry. We provide Windsor residents with a monthly supplemental supply of pet food delivered directly to their homes. We have serviced over 100 families and 150 pets in Windsor.

We operate totally on Donated Supplies and Food Drives
